2022 LAP POOL SWIMMING WAIVER

By signing this waiver, I fully understand that I am responsible for complying with the following conditions any time the pool is not officially open:

- I certify that I am a member in good standing with Renaissance Park Community Association and any applicable sub-Associations and I am age 18 or older.
- I understand that pool is not approved by the Wake County Health Department for night swimming and that swimming is only permitted after dawn, 6:00 am or daylight, whichever is earlier until 9:00 am.
- I understand that diving into the pool is not permitted.
- I understand that adults should not swim alone and that the pool is not guarded. I will check the pool phone operation prior to swimming.
- Swimming under this waiver releases all members of the Renaissance Park Community Association, Aquatic Management Group, PPM and Wake County from any responsibility in the event that I suffer any injury while swimming while the pool is closed. In other words, I am swimming totally at my own risk and will pay for any injuries or disabilities suffered while the pool is closed and without lifeguards on duty.
- No person under the age of 18 or who is not a member of the Renaissance Park Community Association may swim at the said pool when the pool is closed. This agreement is non-transferable.

This waiver is valid for the 2022 Pool Season at Renaissance Park.
